Improve your employment opportunities

"I studied English at Waiariki and now I am studying Nursing at Waiariki"

MARK KIM

Would you like to improve your English?

- Waiariki offers a Certificate in English at six levels from beginners to advanced.
- Classes run all year. You can start your study now!
- You can study full-time or part-time for any number of weeks.
- You can apply for a student loan and allowances if you have been a New Zealand resident for two years.

Join us at Waiariki and become confident in English.

Improve your English listening, reading, writing and speaking skills with interactive lessons.

- Learn faster using the Waiariki digital language laboratory.
- Study IELTS preparation classes for higher qualifications.
- Enjoy learning activities on and off campus with English-speaking students.

Get support and assistance from the friendly team at Waiariki.

Communicate with confidence
