- * Maintenance and enhancement of Nga Hapu's relationship with their waahi tapu and other taonga affected by the utilisation of the Wairakei-Tauhara Geothermal System.

Applications open on June 1st. Completed applications should be sent in hard (printed) copy to the address provided below.

How do students apply?

Applicants are asked to complete all of the relevant information boxes within the application form. The more relevant detail and information that is included within the application will lend to a better understanding of the applicant's intended course of study by the Trustees. Applicants may wish to attach additional information that they consider is relevant to this application. Additional Information must be recorded in the appropriate box at the end of the application form.

If you require any assistance to complete the application form, please contact the Trust Secretary - Robyn Orchard.

What conditions are attached to acceptance of this award?

A condition of this grant is that you supply us with a copy of your results transcripts at year's end, for research and information purposes. Failure to do so may result in future applications being declined.
